

Skydive Spain is pleased to welcome all types of skydivers and has been fortunate enough to have hosted numerous military Expeds over the past few years. Please be assured we will do everything we can to make sure your trip runs as smoothly as possible. Most of the information you need is hopefully included in this booklet, but please just contact us if you have any questions.

Prices - OPTION 1

Simply turn up! Skydive Spain will train and jump all the students and will ensure sufficient instructors and kit are available.

You may want to bring one or two instructors with you anyway, and it is usually a requirement for a military Exped to have an Advanced BPA Instructor. We are fortunate to have the services of BPA Advanced Instructor John Horne, a well-known and respected BPA examiner and former Commandant & CCI of Netheravon, UK and RAPA, Germany with over 25 years experience in the military who is happy for his name to be used as long as the trip leader takes responsibility for and organises the group. We also have Hannah Swallow, a BPA Advanced instructor on the DZ most days. All jumps are from 15,000 feet, higher than all other centres, offering 15 seconds more per jump to satisfy your instructor. The current standard AFF price (L1-8) is 1415 € however we offer a sliding scale for military Expeds:

No. students	Levels 1-8	Discount	Consols
1 - 9	1250 €	11%	35 € 22% discount
10 - 14	1200 €	15%	
15 +	1150 €	17%	

The above prices include all kit hire, packing and instruction but do not include any repeats of any level. (Repeat Prices: Level One, Two or Three 200 € / Level Four, Five, Six or Seven 130 € / Level Eight 45 €)

Prices – OPTION 2

The Exped brings its own instructors and kit and trains and jumps with the students. We offer a price per working AFF slot – One AFF student will use 18 slots for one attempt at each of Levels 1 to 8 (3 slots for double levels and 2 slots for single levels plus one for Level 8). Dispatcher slots for AFF L8 and consol jumps are charged at a discounted price of 25 €.

# AFF slots	Price per
(Student, Instructor)	26 €
Additional Costs	
Instructor Hire	35 €
Consols	25 €
Dispatcher Slot	25 €
Packing	5 €
Kit Hire (inc packing)	15 €

Your instructors will have use of our classrooms, emergency vests, debriefing areas and of course our staff assistance. We are happy for you to use Skydive Spain instructors where necessary so please let us know in advance if this is something you would like to do.

How to book and payment options...

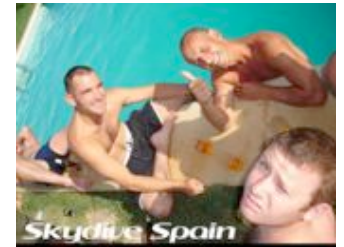

For Option 1 : In order to make a booking we need the **dates of your trip** specifying the number of jumping days as well as the following details from everyone wanting to skydive :

- Name
- Age
- Height
- Weight

For Option 2: We simply need numbers and dates as soon as possible.

For both options we require a 25% deposit payable 4 weeks prior to arrival and the dates must be confirmed 8 weeks in advance – this is especially important for Option 1 otherwise we cannot guarantee instructor availability. Invoices will be issued so we require a name, squadron/office, address, post code and phone no. We accept Bank transfers only for the deposit

Restrictions

Unfortunately there are some age, weight and health restrictions that apply to solo students including:

- Maximum weight limit of 115kg (this is also dependant on your height and we reserve the right to refuse students who exceed the recommended Body Mass Index)
Any students over 95kg must be approved by our Chief Instructor before booking can commence.
- Maximum age limit of 50 and the minimum age is 16 with a parent present to sign consent.
- If you are aged 40 or over and/or have any medical problems you must obtain a medical form from Skydive Spain to be signed by your doctor. Please bring both sides of the form with you on the day.

Every student must sign a 'solo student declaration of fitness' form on arrival – a copy of which can be seen on the BPA website <http://www.bpa.org.uk/forms.htm>

If you have any queries about our restrictions please contact us before you make a booking.

Insurance

All solo skydivers are required to show written proof of 3rd party liability insurance for skydiving whilst in Spain. For British citizens British Parachute Association (BPA) membership is sufficient however this does not provide any medical or repatriation insurance of course. We highly recommend that everyone brings their EHIC card.

Some travel insurance companies may provide third-party cover but please ask them specifically for confirmation. The only two we are currently aware of that do are SportscoverDirect and Adrenalin Travel but please check the policy details with them specifically. We also of course highly recommend personal accident insurance.

The Andalucian Aerosports Federation offer membership for 1 month (69 €), for 3 months (79 €) and until the 31st December 2012 (128 €) www.feada.org however this should only be used for 3rd party and not relied upon for medical cover. This can be taken out at the dropzone on arrival but please bring your passport or ID card.

You can also look at Faro (in Portugal but an easy 1.5 - 2hr drive on a single motorway all the way to us!) and Malaga (2-2.5 hrs) and Jerez (1-1.5hrs) all of which are accessible from most UK airports with cheap airlines such as :

We do recommend that you hire a car or minibus as the dropzone is not walk-able and most of the accommodation is about a 20 minute drive. Check out www.carjet.com which usually offers reasonable prices and doesn't charge excess (check details when booking) – they in turn use Crown at Seville airport so you can also look direct at www.aurigacrown.com. It's also worth checking out deals when you book flights.
